**Bray Youth Information Centre**  
**& Wicklow Local Sports Partnership**

Co. Wicklow VEC Sports Promotion Unit, Bray Youth Information Centre and Wicklow Local Sports Partnership are pleased to jointly co-ordinate and produce this guide to summer activities for young people in Co. Wicklow during summer 2011.

We would like to thank all those who contributed information towards this directory and a special thank you to our funders. It is hoped that the Co. Wicklow Summer Activities Directory 2011 will prove to be a valuable and worthwhile resource for both parents and young people during summer 2011.

**The Co. Wicklow VEC Sports Promotion Unit** is located at 1a Brennan's Parade, Bray.

The Sports Promotion Unit is responsible for devising, implementing and co-ordinating various sports, physical activity and sports coaching programmes for young people aged 10-21 years in the Bray area.

The Sports Promotion Unit provides sports and physical activity programmes to local primary and secondary schools, youth clubs & groups, resource centres, community centres, community groups and sports clubs. It also assists with the set-up of sports camps during the Mid-Term and Summer Holidays.

**Bray Youth Information Service** is located at Bray Youth & Information Services, Herbert Road (opposite Parish Centre, beside Bray Medical Centre). Bray Youth & Information Services are a joint CYC and Wicklow VEC project.

Bray Youth Information Centre provides a free, confidential information service to young people, their parents and those who work with young people. It's a "one-stop shop" where a variety of information & Services are available under one roof.

You can find information on anything a young person may need to know and we also provide many services that young people find useful, such as free Internet access.

**Wicklow Local Sports Partnership** is an Irish Sports Council Initiative which commenced operations in November 2008.

The overall aim of Wicklow Local Sports Partnership is to increase participation in sport and physical activity amongst specific target groups such as girls/women, youth, older adults, people with disabilities, unemployed, minority groups and those living in disadvantages areas.

The three main functions of the partnership are:

*Information:* Establish a Sports Forum, undertake research and identify local needs.

*Education:* Provide quality opportunities for education, access to specific courses through NGB's of sport.

*Implementation:* Develop local sports strategy, market and promote sport and deliver programmes.
